Welcome to IGNOU Dost!

Hi!

We are thrilled that you have decided to join us.

At IGNOU Dost, we believe that everyone has a right to live a life of dignity and quality. We strive to provide quality learning solutions to anyone who wishes to pursue higher education regardless of their previous academic track record. If you're looking for an environment that not only supports education but also helps you gear towards your career goals, you are at the right place!

With our emphasis on job-readiness training and up-skilling, we not only help you get a degree but also provide you with unparalleled exposure into the field and help you acquire field-relevant skill-sets. Through-out your journey with us, our qualified Academic Mentors and dedicated Career Coaches ensure that all your individual learning and career needs are taken care of. When we promise you personalized interventions, we mean nothing short of expert companionship and scaffolding that anyone could ask for.

We look forward to serving you!

Warm regards,

[Muhammed A.](#)

Founder & CEO, IGNOU Dost

About us

We are a team of passionate individuals educated from premier institutes across India, who feel grateful for the educational and career opportunities we've got and earnestly wish to create a platform that opens up such possibilities to anyone, regardless of their socio-cultural backgrounds and previous academic track records!

IGNOU Dost is an Online Platform for Higher Education, that provides personalized learning support for pursuing UG and PG degrees from reputed universities through a consistent Mentorship program, all through a mobile application. Alongside learning, the program also takes care of the individuals' career needs through individually tailored Career Coaching, Job-Readiness Training and industry relevant add-on Up-Skilling programs.

About IGNOU

For the present program, we have chosen IGNOU (Indira Gandhi National Open University) as the Institute we enroll our students with for obtaining their degrees. Along with registration with our learning program, the student enrolls with IGNOU as anyone would normally do. The difference here being that Learnwise will be supporting the student's learning whilst pursuing their degree from IGNOU.

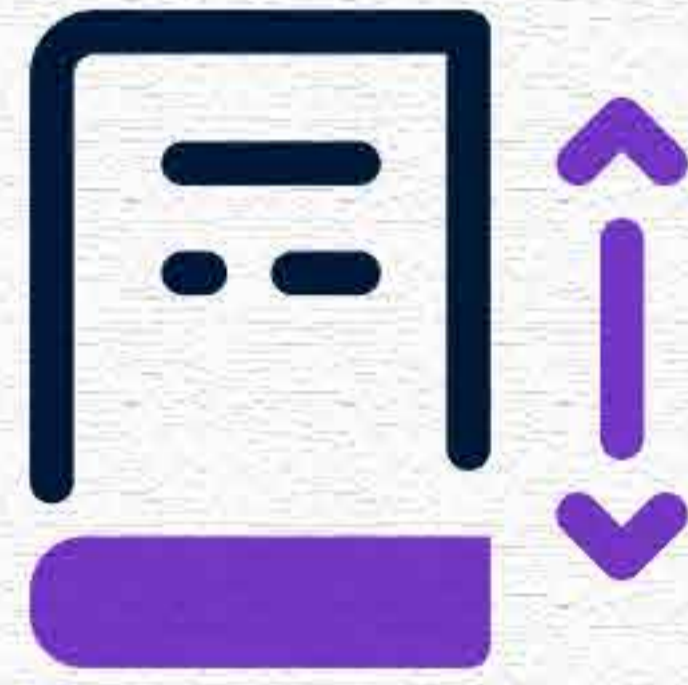

The Indira Gandhi National Open University is the world's largest University imparting education through open and distance mode. Established in 1985, IGNOU is an internationally awarded Central University which aims to provide quality higher education opportunities to all segments of the society. It is a University that constantly strives to raise the standards of distance education and actively researches best practices in open education. Currently, it has 21 schools of studies, 67 regional centers, 3500 study centres, 12 overseas study centers, and offers 200+ programs, ranging from certificate courses, diplomas, bachelors, masters to doctoral programs.

B.A. (Honours) Psychology

Affiliated to: IGNOU

Program Code: BAPCH

Minimum age: No bar

Maximum age: No bar

Eligibility: 10 + 2 or equivalent

Course Duration: Minimum 3 years, Maximum 6 years

Session starts: January & July of every year

Psychology is the study of human and animal behaviour. It is a subject that has applications in almost all areas - health, education, forensics, military, human resource management, to name a few.

The B.A. (Honours) Psychology program, offered by the School of Social Sciences (SOSS), IGNOU is a mix of core psychology courses, discipline-specific electives, generic interdisciplinary electives, ability- enhancement compulsory courses and skill-enhancement courses. The psychology core courses entail both theory and practical components.

The program seeks to build foundational knowledge in Psychology in learners, ensuring a strong base before further specialization in their post-graduation, or diverging to other disciplines or industries wherein psychological principles may be applied. Apart from equipping learners to pursue jobs in industries, the knowledge of psychology will also prove a great tool in the learner's day-to-day lives, enabling them to understand themselves better, enhance their productivity and build healthy relationships.

BAPCH Program Structure

The B.A. (Honours) Psychology program (BAPCH) at IGNOU is offered as a Choice-Based Credit System (CBCS) under the Semester System mode. The BAPCH Program differs from the B.A. in Psychology (BAPC) program, also offered by IGNOU, in terms of the composition of courses and number of credits. BAPC is of 96 credits distributed equally over three years (32 credits per year) as compared to BAPCH which is of 148 credits distributed over six semesters. The BAPC program has 12 core Psychology courses (48 credits). In contrast, the BAPCH program has 18 core Psychology courses (108 credits). Another notable difference is that the psychology papers of the BAPCH program are of 6 credits each whereas that of BAPC are 4 credits each. One credit is equivalent to 30 hours of study. IGNOU Dost offers the BAPCH program.

There are total 26 courses in BAPCH, out of which 14 are Psychology Core Courses (CCs), 4 are Discipline-specific Electives (DSEs), and there are 4 Generic (Inter-disciplinary) Elective Courses (GEs), 2 Ability Enhancement Compulsory Courses (AECCs) and 2 Skill Enhancement Courses (SECs). The total credits for the program is 148 credits, out of which the CCs, DSEs, GEs are of 6 credits each while the AECCs and SECs are of 4 credits each. The core courses of 6 credits each are further broken down into theory papers worth 4 credits and practical or tutorial worth 2 credits. The practical or tutorial sessions are held in the IGNOU allotted study centres.

Learn. Up-Skill. Flourish.
